

The Discrepancy in Fukushima ~The Problems We Are Facing~

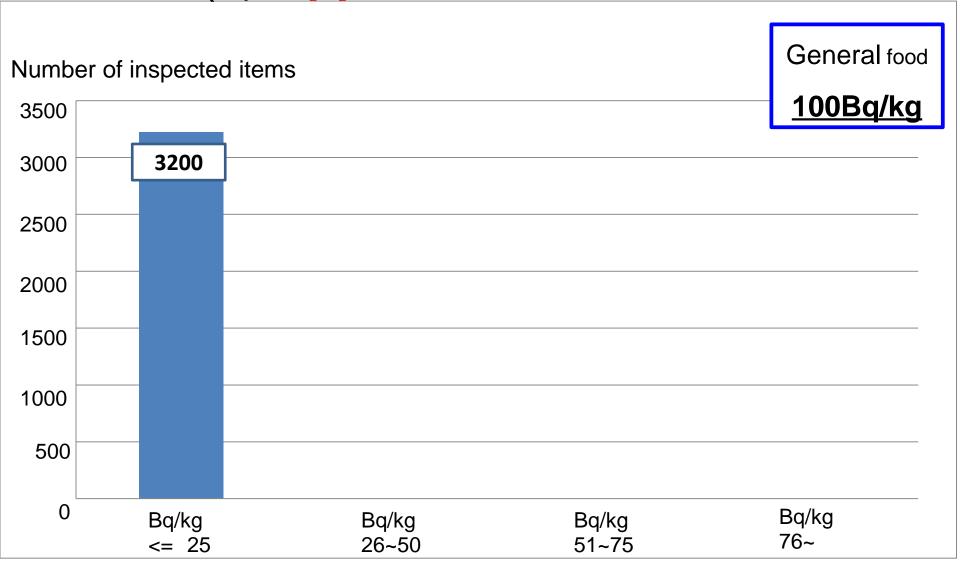

1. The radiation limit

Food	Reference Value (Bq/kg)
General food	< 100
Baby food	< 50
Water	< 10

These values are 10 times lower than Europe's

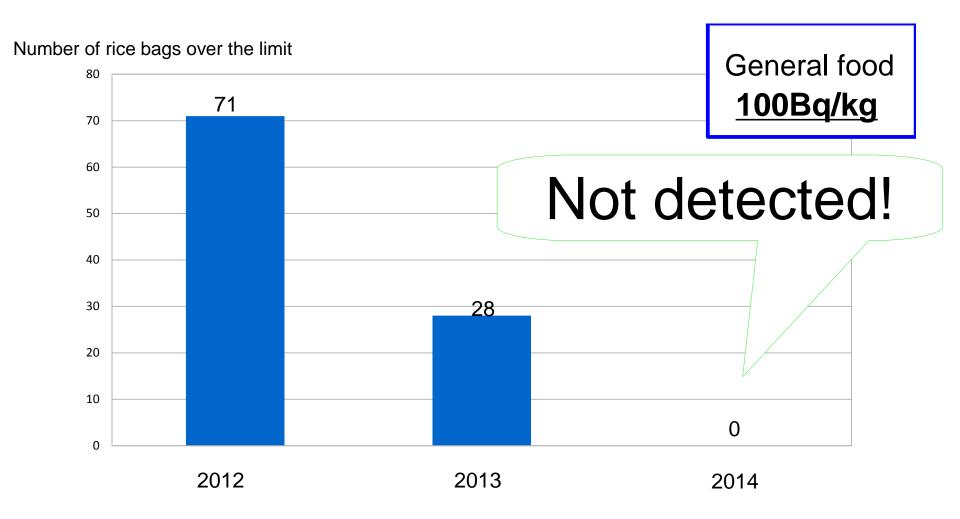

nsumer Affairs Agency HP

2.(1) Apples from Fukushima

Reference: Fukumegu HP

2. (2) Rice from Fukushima

Referance: Asahi shinsai_fukkou HP

2.(2) Rice from Fukushima

General food 100Bq/kg	Total number of bags	Number of bags over the limit	Percentage
2012	10,346,081	71	0.0007%
2013	11,006,534	28	0.0003%
2014	10,959,136	0	0.0000%

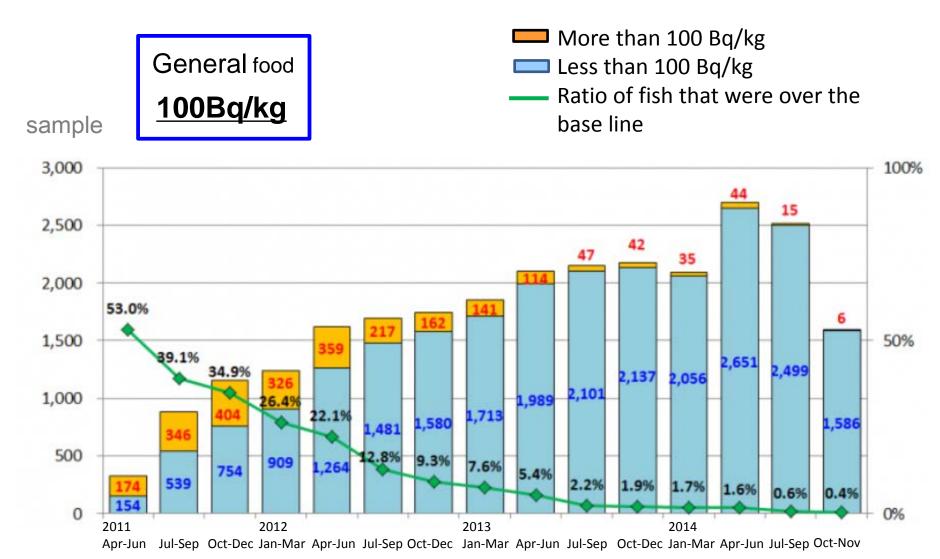

Reference:

2.(3) Vegetables from Fukushima

Seneral food 100Bq/kg		Production	Detected Nuclide-Concentration Level			Sample
IU	<u>овц/ку</u>	City Name	lodine-131	Caesium- 134	Caesium- 137	harvest date
	Cabbage	Fukushima City		Not detected	Not detected	01/13/15
	Pumpkin	Miharu Town		Not detected	Not detected	01/14/15
	Carrot	Fukushima City		Not detected	Not detected	01/19/15
	Red beet	Fukushima City		Not detected	Not detected	01/21/15
	Turnip	Iwaki City		Not detected	Not detected	01/26/15
	Strawberry	Fukushima City		Not detected	Not detected	02/06/15
Green		· detec	tedl	Not detected	Not detected	02/17/15

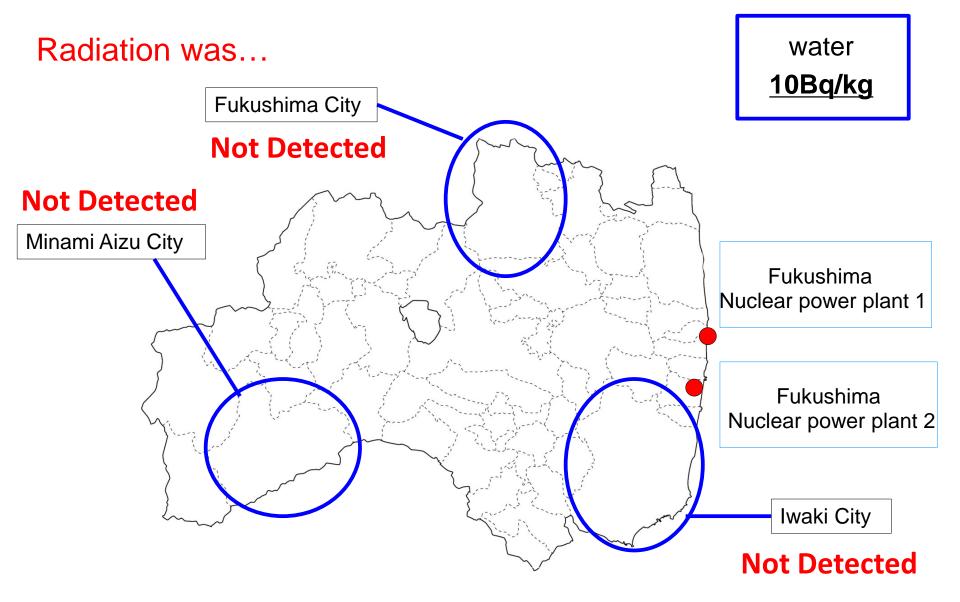

Reference: New-Fukushima HP

2. (4) Fish in Fukushima

Reference: The Ministry of Agriculture, Forestry and Fisheries HP

2.(5) Tap water in Fukushima

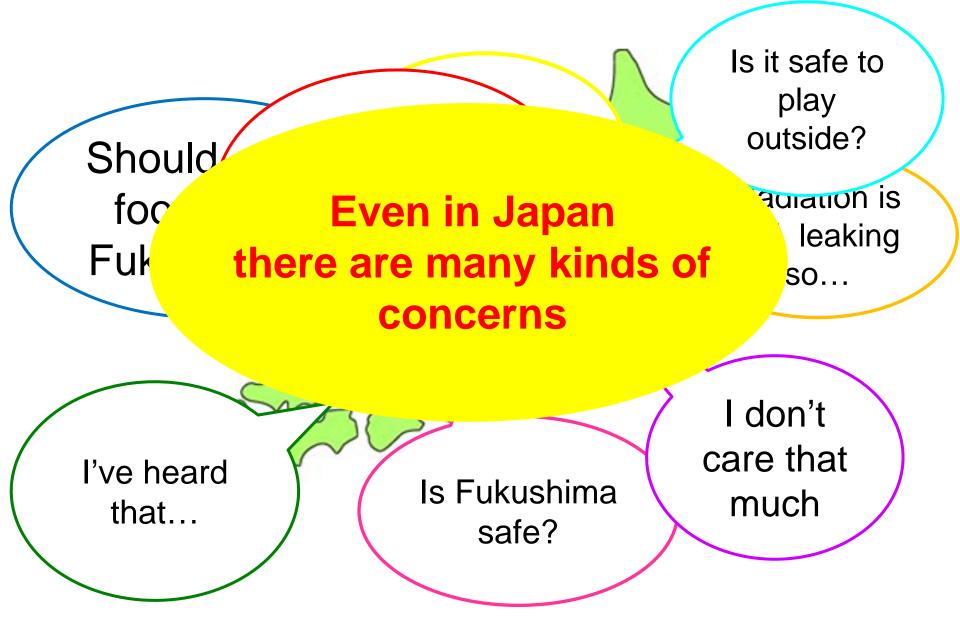

Fukushima's food in the

market place is safe!

BUT...

3. (1) The opinions from people in Japan

The reality and the Impression

The Reality

GAP

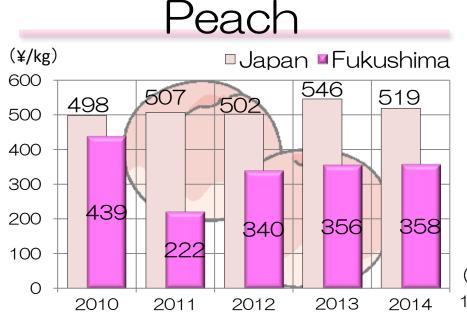

The Impression

Scientifically it is **SAFE**

"Fukushima is **NOT SAFE**"

"We hesitate to buy food produced in Fukushima"

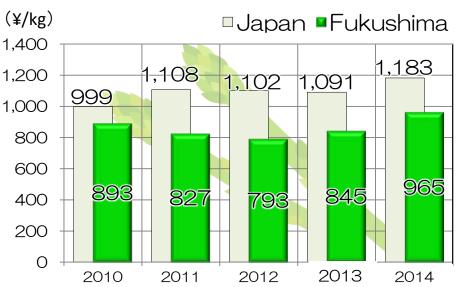

The current price of food from Fukushima

The price is recovering

Asparagus

The price is still low

Reference: Fukushima Prefecture HP

Farmer's income decreases

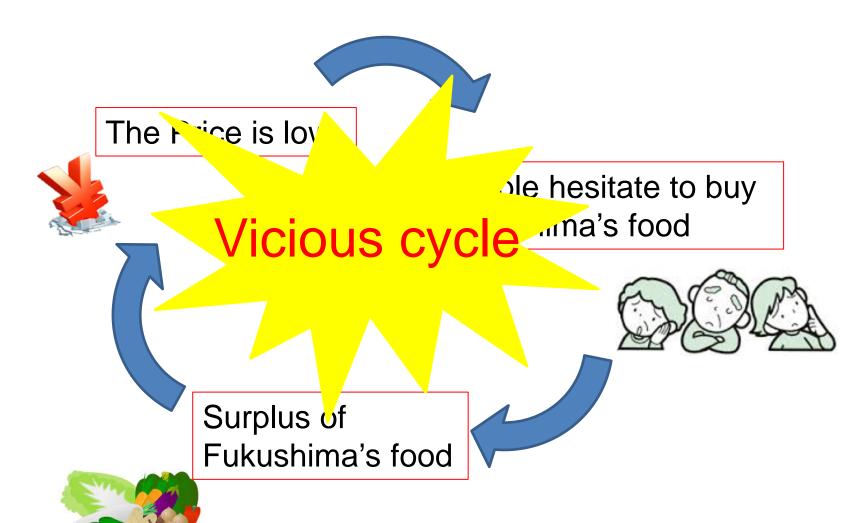

Farmer cannot make a living

People will hesitate to buy Fukushima's food

Current Situation

Solutions

Campaign for promoting to buy Fukushima's food

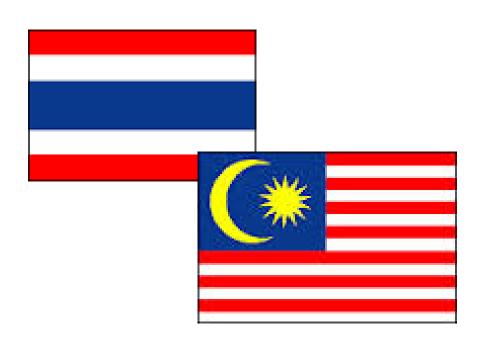

Reference: Fukushima city HP

Solutions

Advertising Fukushima's food to other countries

Sold Peaches in Thailand in 2014 August

Reference: Fukushima Prefecture HP

Solutions Branding the products

Products which were branded haven't lowed it's price

The branding will add another value to the product
